

The GLBTA Pride Center Ambassadors are proud to introduce the

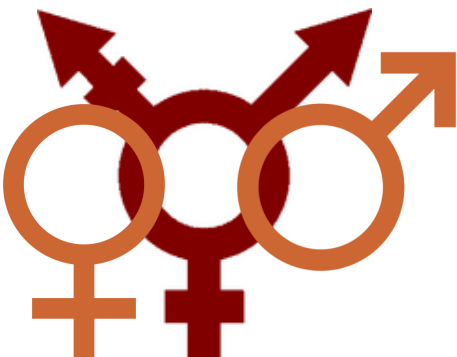

## **Gender Variant Caucus (GVC)**

**The GVC is a confidential, discreet monthly gathering for transgender, intersex, genderqueer, agendered, and other gender variant people in the Bridgewater State College campus community. No agenda, just a safe space for socializing, networking, and support from other gender-variant students.**

Not out? Your anonymity will be preserved and any information brought forth at caucus meetings will remain confidential. **The caucus will be held in a different location every month and facilitated by students who respect your needs. Questioning folks and partners of GV students are welcome, but allies are encouraged to attend other Pride Center sponsored events instead.**

**First Meeting—Thursday, October 29th at 5:00 pm**

**Please stop by the Pride Center (RCC 006) or e-mail Kate ([kate@msequencedesign.com](mailto:kate@msequencedesign.com)) for location and details.**

The GLBTA Pride Center is always a safe space for GLBT people and straight allies. Come in any time!
